Aspire Recruitment Services are proud to be working in collaboration with a dynamic commercial law firm. They benefit from a modern organisational structure and an agile, fluid, team-centric model. Not held back by tradition, they are always looking to improve their client service and grow their community of legal and business support professionals.

As experts in their fields, they are a collaboration of instinctively commercial lawyers, passionate about delivering the best legal service, with their people and clients at the heart of everything they do. They pride themselves on total quality at all levels of their business, measuring their success by long-standing client relationships.

The firm's recent accolades include:

- The Times Best Law Firms of the Year 2020
- Law Firm of the Year 2020, Wales Legal Awards
- Law Firm of the Year (Wales), Legal 500 Awards.

## Role Overview

Due to rapid growth and continued success, we're looking for a solicitor to join their award-winning litigation team, handling a range of complex and high-profile commercial disputes.

The team's varied workload covers all types of commercial litigation, with specialisms in contractual disputes, director and shareholder disputes, professional negligence, property disputes, intellectual property disputes, construction litigation, defamation and reputation management.

As a Commercial Litigation Solicitor, you will play a pivotal role in helping to drive market share and brand presence. You will thrive in managing a varied caseload of litigation matters and in working with the wider business.

## Key Responsibilities

Reporting directly into the Head of Commercial of a highly functioning, collaborative and ambitious team you will be an integral part of the Firms' Commercial offering.

- Drafting and reviewing commercial contracts
- Franchise agreements
- E-commerce and software as a service agreement
- Supply terms
- Agency agreements
- Buying and selling a business

- Participation in business development and networking initiatives

**As an experienced Commercial Litigation Solicitor, you will possess the following skills and experience:**

- A qualified Solicitor in England & Wales with a minimum of 2 years post-qualifying experience.
- Strong litigation experience gained at a City or national law firm.
- Commercially astute with a passion for keeping up to date with key legal and business news.
- A proven track record in delivering technical excellence and in leading workstreams and negotiations.
- First class relationship-building skills and the ability to develop and cement client relations and team working.
- Entrepreneurial mindset with an interest in driving and participating in team business development initiatives.
- Good time and file management skills.
- Proactive 'Can do' attitude with a flexible approach to working under pressure.

Aspire Recruitment Services Limited are acting as an Employment Agency in respect to this vacancy.
